Oakland Park, FL 33311 * Main Office 954-678-3939

Principal's Message

It is my pleasure to welcome you to the 2018-19 school year! The staff at SunFire High School is very excited for the upcoming year which promises to be filled with an abundance of energy and enthusiasm! It is our goal to make every student feels welcomed, connected and an important part of the SunFire family. Teachers, administrators and support staff are committed to providing our students with high-quality educational programs, building positive working relationships with students, families and community members; all while striving to meet the unique needs of each student.

As you know we have changed our school name, leaving SunEd High of Broward behind for an updated dynamic "SunFire High School, Home of the Phoenix"!

You may be asking yourself "what is a Phoenix"? Our school mascot is the Phoenix. The Phoenix rises from the ashes and is born anew. Therefore, our mascot symbolized re-birth. The Phoenix reminded us that we must be transformed from passive recipients of our condition, to active participants who are committed to changing the conditions around us.

The Phoenix also embodied our mission to graduate individuals who thrives in service to others, and our goal of putting scholarship into practice for the purpose of addressing social inequities and injustice. The Phoenix appeared on the school's logo in the upper middle, to reminded us that through inquiry, this is the goal for which we seek.

The main goal this school year is building a positive and healthy school culture by doing things the "Phoenix Way". In doing so, we will focus on areas that will directly affect our environment. Components of the "Phoenix Way" are communication, connection and commitment.

Communicating with stakeholders is a top priority and as a school we will always be seeking ways to increase our effectiveness. Connecting and building positive, professional relationships with students, parents and community organizations will make our school and community stronger. A commitment from everyone (students, parents and staff) to these areas will keep SunFire High School the envy of Broward County!!! Go Phoenixes!!

Ms. Dee

Notable Dates
